

Cell Phone Use Rules

1. Cell phone use is not allowed in the library.
2. Cell phones should be turned off or set to "vibrate" when entering the library.
3. The lobby area may be used to make short, quiet phone calls. Please move extended conversations outside the library.
4. Take your belongings with you if you move to make a phone call.

Persons who choose to violate these rules or their intent may be asked to leave the library. Repeat offenders may have their library privileges suspended.
